Note of the Author

My gratefulness to the Associació d'Amics of the Camí de Sant Jaume de Sabadell and current Santa Perpètua de Mogoda and camisantjaume.com

And if these leaves are what they are not less admirable Joan Fiol Boada is owed to the "Mythical" Ferran also no doubt to the information extracted of the guides of Carlos Mencos's Catalan Way . www.editorialbuencamino.com and of www.gronze.com Thank you for stopping to share your Way to persons without money or without this logistics in your Way of the following day, since it happens to us in the Association. In malls, or bookshops specialized as Altaïr in Barcelona C.Gran Via Corts Catalanes, 616 might obtain your guides as also, those of the Autonomous government of Catalonia of your different ways for Catalonia [http:// www.camidesantjaume.cat/guies.php](http://www.camidesantjaume.cat/guies.php)

Note of the Association.

The association mentions the principal cities or villages and gives a reference of the principal municipal lodgings or of a traditional type, Recommending the above mentioned and always to be generous with altruistic people and clarifying that numerous private lodgings or different forms exist of pernotar depending of the epoch, polysport etc. To avoid mud and almost impracticable ways **the cyclists** must circulate in some sections **NOT PUT** by the road.

Guide to go and a stage to be informed before what it is.We make some exceptions in a personal capacity and give a last advice that everything seen, listened, well-read or enclosed well-considered he forgets even ours. Alone it is worth enjoying the Way; your history, your ways, your destiny, your sense.
