## L'HOSPITALET DE LLOBREGAT

**Note of the Asociación de Amigos del Camino de Santiago de L'Hospitalet de Llobregat (Barcelona).**

The association mentions the principal cities or villages and gives a reference of the principal municipal lodgings or of a traditional type, recommending the above mentioned and always to be generous with altruistic people and clarifying that numerous private lodgings or different forms exist of pernotar depending of the epoch, polysport etc. To avoid mud and almost impracticable ways the **cyclists** must circulate in some sections **NOT PUT** by the road.

Guide to go or a stage to be informed before what it is.

We make some exceptions in a personal capacity and give a last advice that everything seen, listened, well-read or enclosed wellconsidered you forgets even ours. Alone it is worth enjoying the Way; his history, his ways, his destiny, his sense.

This is a logistics but to extend information:
